Join us in the fight against Pediatric Cancer

Each year, parents of over **15,000** kids will hear the words “*your child has cancer.*”
Every day, **43** children are diagnosed with cancer.
The average age of children diagnosed is **6** years old
More than **40,000** children receive treatment for cancer each year.

Those statistics are staggering and tragic and the Iron Pigs Motorcycle Club is calling on **YOU** to help.

We are teaming up with **Nemours Children's Hospital** to do our part to help children and families fighting cancer. Please consider supporting the 2019 Iron Pigs Against Pediatric Cancer ride with a sponsorship and/or donation so that we can help kids and families receive the best medical treatment possible.

Your support:

- Gives kids and their families what they need, when they need it.
- Allows Nemours expert physicians to provide the most advanced treatments
- Fund innovation research and develop new therapies for fighting cancer
- Give comfort to children undergoing treatment with toys, games and fun special events
- Provide necessities for families staying in the hospital for an extended time or who may have expeditiously left home after their child's diagnosis
- Help to make the hospital experience a little easier for kids and their loved ones through therapeutic play, art & music therapy, and individualized support

Join us in the fight against Pediatric Cancer!
